

DOON INSTITUTE OF MANAGEMENT & RESEARCH

A visit to honeywell Industry Pvt. Ltd,
Selaqui, dehradun : A Report

Doon Institute of Management & Research organized an Industrial Educational Tour on 9th May, 2014 to Selaqui, Dehradun. Students of BBA II, IV and VI Semester visited Honeywell Industry Pvt. Ltd to gain the knowledge about the Operational and Production activity of the Industry and also to learn about the process of manufacturing different types of Electrical products by the industry. The Trip started early morning and by noon time students reached the industry where they met Mr. Gurdeep Singh (Administrative Head, Honeywell). First of all the people of Honeywell Industry welcomed the students with their traditional way and shown them a presentation about the Industry then afterwards students visited the main Production unit where they learnt about the Molding, Drinning, Assembling and Packaging Process of the different types of switches and sockets. Students were accompanied by Dr. Gaurav Goel (HOD, Commerce Deptt.) Mr. Gaurav Sangar (Dean, Student Welfare), Ms. Tripti Thakur (Assistant Professor) and Ms. Geetu Batra (Assistant Professor). Mr. O.P Bhatt, Chairman, Mr. C.M. Dobhal, Founder Director, Doon Group of Institutes, and Dr. Sangeeta Adhikary, Director, Doon Institute of Management & Research observed that these types of activities motivate students for their overall betterment.
